<b>WDS10MF</b>	<b>Musk</b>

## EFBTMG4 Easy Fresh

Easy Fresh is the world's only air freshener dispenser that uses the fragranced cover of the dispenser as the air freshener refill itself! Now, instead of unlocking a dispenser, unloading the old refill, loading the new refill and replacing the cover, you just take off the old cover/refill and replace it with a FRESH one!!! \*Easily the best – each cover is composed of a unique material containing twice as much fragrance as most other air fresheners which is released over 30 days. \*Easily Eco-friendly – Easy Fresh refills are 100% recyclable and VOC compliant. Manufactured with over 50% less energy than typical plastic or steel containers. \*Easily Freshens the air better – continuously freshens for 30 days so you don't have the peaks and valleys (or the spritzing showers!) of metered aerosols. \*Easy to Use – each refill comes with a battery, so simply replace the old cover with a Fresh one - it's easy!

<b>EFBTGP7</b>	<b>Guava&amp;Pineapple</b>
<b>EFBTSA1</b>	<b>Spiced Apple</b>
<b>EFBTM2</b>	<b>Cucumber Melon</b>
<b>EFBTMG4</b>	<b>Mango</b>

## EFBTMG4 Eco Bowl Clip

Freshens the Air for 30 days • Unique patent pending material contains 30x more air freshener than standard rimsticks • Gradually releases air freshener over 30 days Environmentally Friendly • Low VOC (compliant in all 50 States, Europe, N. America) • 100% recyclable • Will not dissolve in or pollute water Easy to Use • Fits most standard toilets • Clips on outside of bowl • Shrinks to fit as fragrance evaporates

Simple Green Paint Prep & Clean-Up Hard Surface Cleaner is non-toxic, biodegradable, non-caustic and non-flammable, making it safer for use in the workplace and for the environment.

## **18505 Simple Green Mold & Mildew Remover**

Simple Green Paint Prep Mold & Mildew Stain Remover is a ready-to-use, chlorine-free, biodegradable, and non-toxic answer to those unsightly stains that tend to reappear after painting is done. Because this product is differently formulated from common bleach products, stains typically take about 24 hours to disappear — but they don't come back!

## **18402 Simple Green Stone Polish**

Simple Green Stone Polish is a ready to use, non-toxic polish that conditions natural and fabricated stone surfaces to restore and maintain their luster. Simple Green Stone Polish is the perfect complement to Simple Green Stone Cleaner for cleaning, polishing and protecting all stone surfaces. It leaves no greasy film, sticky residue, or streaks. It is easy to use and safer for the workplace and the environment. (Not recommended for floors due to potential for slip & fall accidents.)

## **18401 Simple Green Stone Cleaner-**

Simple Green Stone Cleaner is non-toxic, biodegradable, and perfect for everyday use. It wipes clean for a shine that resists fingerprints and smudges. This product is ready to use and can be conveniently sprayed and wiped. Simple Green Stone Cleaner is safe and effective for use on both natural and engineered stone, tile and laminate.

# Cleaners & Degreasers

## **18300 Simple Green Stainless steel Cleaner-**

Simple Green Stainless Steel One-Step Cleaner & Polish is a ready-to-use, high-tech formula created to clean and polish in one easy step stainless steel and other metal surfaces. Simple Green Stainless Steel One-Step Cleaner & Polish wipes clean for a deep luster that resists fingerprints, water spots and smudges. The non-toxic formula doesn't build up on surfaces so it's perfect for everyday use, and safe for the workplace and the environment.

## **13351 Simple Green Towels**

Simple Green Safety Towels are pre-moistened with non-toxic, biodegradable, Crystal Simple Green. These multi-purpose cleaning towels are the fast, easy, safe and effective way to remove soils from industrial surfaces. Crystal Simple Green is USDA authorized for use in federally inspected meat and poultry plants. The towels are colorless and odorless and have both smooth non-abrasive and scouring non-abrasive sides for better versatility. Box of 6/75 Towels ea.

## **13355 Simple Green Heavy Towels**

Simple Green Heavy-Duty Towels are pre-moistened with non-toxic, biodegradable, Crystal Simple Green. These multi-purpose cleaning towels are the fast, easy, safe and effective way to remove soils from industrial surfaces. Crystal Simple Green is USDA authorized for use in federally inspected meat and poultry plants. The towels are colorless and odorless and have both smooth non-abrasive and scouring non-abrasive sides for better versatility.

## **666G01 Classic Degreaser-**

A non-combustible, remarkably fast acting concrete that cleans anything and everything. Replaces inflammable solvent degreasers for machine and tool cleaning. Replaces caustic for cleaning ovens and stoves. Replaced old fashioned wax removers for stripping wax polymer build-up and acid for cleaning light fixtures, toilets, etc.

<b>666G01</b>	<b>1 Gallon</b>
<b>666G05</b>	<b>5 Gallons</b>

## **255BIB Aurora- 5 Gallons(2x2.5gL. ea)**

A unique, liquid cleaner made especially for maintaining the super high gloss on floors that is now possible with spray buffing and ultra high speed floor machines...Formulated at a neutral pH of 7 so as to remove soil without penetrating the finish or affecting its gloss. Actually restores the luster of floors that have started to dull.

**Marcas best seller!!**

# Cleaners & Degreasers

## **60 Sideral Glass Cleaner**

Is formulated especially for industrial and institutional use. It quickly cuts through the heavier soils deposited in factories, offices, schools, hospitals, hotels and motels.

## **13291 Simple Green Foamers**

An easy hose-end attachment that delivers a powerful jet spray of foamed Simple Green® solution for large areas, or a precision stream for smaller, concentrated applications. Foaming provides clinging ability for vertical and hard to reach surfaces and enhances product performance. Five dilution selections can be chosen from the quick-change lever in the cap. Bottle holds ½ gallon of concentrate.

## **13384 Simple Green 4 way Proportioner**

Dispenses 1 Simple Green concentrate at 4 different dilutions and delivers diluted solutions at one-gallon-per-minute via a bottle-fill nozzle or a bucket-fill hose (both included with proportioner.) Proportioner comes with pre-inserted dilution tips for Extra Heavy, Heavy, Medium, and Light dilution ratios, and with a bag of dilution tips so user can customize dilutions if desired.

## **79130 Simple Green Parts Washer 30 gL. Capacity**

The Simple Green 30 Gallon, 220V Parts Washer is a stand mounted unit of thermoplastic construction. It offers a 15" depth soak basin (at its deepest point) and 25 operational gallons. The pump is a 220 volt industrial grade pump with seals. This unit includes a 110 °F, 1000-watt heater with separate switch, a flex spigot and nylon flow-thru brush, a stainless steel work shelf and a clean out plug for easy draining. It is GFCI protected and includes the filter kit and circulating pump. The overall dimensions are 36"L x 24"W x 39"H

# Disinfectants & Deodorizers

RX44ACE

RX75G32

## **RX44ACE Neutral PH Disinfectant Cleaner**

RX 44 ACE: The most advanced of EPA registered concentrate neutral disinfectant cleaners. Kills Staph MRSA, Hepatitis B and C virus. Also effect against Parvo, Avian Flu 2 ounce per gallon use dilution. SURFACE ODOR CONTROL. RX44 ACE is a one-step neutral disinfectant that is effective against a broad spectrum of bacteria, is virucidal\* (including HIV-1, HBV and HCV), fungicidal and inhibits the growth of mold and mildew and their odors when used as directed. Cross-contamination is a major housekeeping concern, not only in hospitals, but also in schools, institutions and industry. RX44 ACE has been formulated to aid in the reduction of cross-contamination on treated surfaces

## **RX75G32 Antibacterial Tuberculocide Cleaner**

RX 75 TUBERCULOCIDAL HEAVY DUTY CLEANER: Ready to use Spray & Wipe. Kills Parvo virus as well as the TB bacillus and Norwalk virus. SURFACE ODOR CONTROL Other quaternary disinfectants have failed EPA requirements against M. Tuberculosis because the TB bacillus is covered by a tough protective shell that the typical quat cannot pierce. The superior penetration of RX 75 allows it to quickly break through this shell and to kill the disease-causing bacilli, just as it kills a broad range of other Gram negative and Gram positive bacteria, just as it kills HIV 1 (the AIDS virus) and kills pathogenic fungi. But RX 75 is not just to guard against cross infection. Its ability to penetrate the shell of the TB bacillus is indicative of its ability to penetrate and remove the worst stubborn soil

## **Clorox -**

Clorox® Regular-Bleach has been trusted for six generations as a whitener, stain remover, and disinfectant. Today, Clorox® Regular-Bleach is still the most trusted brand of bleach for a cleaner, healthier home. It kills the germs on surfaces that may make your family sick. Clorox® Regular-Bleach helps reduce the spread of germs around your home by killing common viruses, bacteria and fungi that can make your family sick.

<b>851040</b>	<b>1 Gallon</b>

## **1420A Selectline 20HD**

Made of steel with chrome-plated bell housing and a handle shaft with compression-style hand-height adjustment. All models are versatile and are made to clean, strip or polish almost any floor surface. Some other applications include carpet bonneting or shampooing and gym floor screening. The SelectLine 20HD has comfortable and solid handles with safety interlock activation to prevent accidental start-up. A convenient compression-style foot pedal lock allows handle adjustment to any operator's height. The heavy gauge, chrome-plated steel handle provides maximum machine control, strength and durability. Powerful motor and dual planetary gear systems provide smooth, quiet and reliable operation. High torque system allows for smooth start-ups on all hard floor surfaces. The quick-release pad/brush system makes pad holder and brush changes fast and easy – while non-marking transport wheels are long-wearing and protect floors from damage.

# Machines & Vacuums

## **1480 Floor Machine 175rpm 1hp**

All steel with chrome plated bell housing and a handle shaft with compression style hand height adjustment these models are solid performers among everyday users. Both models are versatile, 175 rpm machines, made to clean, strip or polish almost any floor surface. Some other applications include: carpet bonneting or shampooing and gym floor screening. Choose either a 17 inch (43.2 cm) or 20 inch (50.8 cm) to fit any application. **\*Available in 17" and 20" models \*1.0 hp AC motor \*175 rpm \*Pad holder included**

## **1340A Floor Machine 17" 175rpm 1.5hp**

made of steel with chrome-plated bell housing and a handle shaft with compression-style hand-height adjustment. The SelectLine models come standard with comfortable and solid handles with safety interlock activation to prevent accidental start-up. A convenient compression-style foot pedal lock allows handle adjustment to any operator's height. The heavy gauge, chrome-plated steel handle provides maximum machine control, strength and durability. Powerful motor and dual or triple planetary gear systems provide smooth, quiet and reliable operation. High torque system allows for smooth start-ups on all hard floor surfaces. The quick-release pad/brush system makes pad holder and brush changes fast and easy – while nonmarking transport wheels are long-wearing and protect floors from damage. **\*Multipurpose 17" machine \*1.5 hp AC motor, 175 rpm \*Triple planetary gears \*Pad holder included**

## **56170037 Autoscrubber Razor 20T**

The Razor® 20T is easy to operate, built to last, intelligently designed and environmentally conscious. Onboard battery charging, no-tool squeegee blade replacement and an easy-to-clean recovery tank make the Razor 20T easy to maintain, as well, also feature the kind of time and resource saving features that are a cut above traditional scrubbers. The Razor 20T is equipped with Kent's ECO System™. The ECO System automatically controls solution usage, resulting in maximized productivity– over a full hour of cleaning on a single tank. Users will also appreciate the Razor's two pad pressure settings, enabling operators to switch effortlessly between a run time extending floating head and a fixed head for heavier soil cleaning. And thanks to quiet operation, you can take advantage of all these features day or night. **\*Easy access to batteries \*Easy to use One-Touch scrubbing control panel \*Razor® 20T has ergonomic control paddle with fingertip control**

# Machines & Vacuums

## **EWD-320 20 Gal. Wet/Dry w/tools Vacuum**

Euroclean wet dry vacuums are intended to be used day in and day out in heavy duty commercial, industrial and floor maintenance applications. The 20 gallon machine have the same compact footprint to reduce storage space. Rubberized nonmarking wheel are quiet on hard floor surfaces and the large rear wheels make moving the machine up and down stairs a breeze. Units have a rear drain hose for easy disposal of liquids. **\*20 gallon \*Compact footprint reduces storage space no matter the size of the machine \*Rear drain hose for easy disposal of recovered solution \*Optional cartridge filter and H.E.P.A. filters available**

## **XA 300 Airmover/Blower**

Quickly facilitates the drying of hard floors and carpets after scrubbing, waxing, finishing or extraction. Easy to use and transport the blower helps dry wet basements, flooded areas, fresh paint, concrete sealer or any surface that needs to be dried fast. It works well to aid ventilation when used in hot, closed areas or to remove smoke and fumes. Convenient to store with molded in cord storage for its 25 foot, safety yellow cord. With its unique interlocking stacking feature several units can be stored in a small space. A sturdy molded-in handle helps balance while carrying. With the optional wheel/handle kit multiple units can be easily transported. **\*3-speed motor is quiet-running and efficient \*3 stationary positions to direct airflow ( flat, 45° or 90° angle) \*25' safety yellow cord**

## **9052437010 Hip Vac-SR. 1000 watts**

Confined and cluttered areas are easy to clean with the Hip Vac. The powerful motor and lightweight design increase productivity by up to 74 percent compared to traditional vacuums. The revolutionary ergonomic design of the Hip Vac enables cleaning staff to carry out their tasks with greater comfort. Its light weight enhances operator mobility and makes it easy to clean confined areas, making it the ideal solution for daily office cleaning. The Hip Vac rests comfortably on the hips of the operator. Thanks to its small compact design, operators of all sizes have complete freedom of movement for all types of cleaning tasks. The motor is positioned to correspond to the body's own center of gravity, enhancing balance and minimizing fatigue. **\*CRI Green Label Approved \*Five versions to meet virtually any application \*The Hip Vac Sr. provides superior cleaning power with a 1,000 watt motor \*Lightweight at only 6.4 pounds with heavily padded belt for operator comfort**

# Machines & Vacuums

## 9060609010 Backpack Vacuum Kent

Back Vac products take the concept of comfort very seriously. The Euroclean Weight Management System™ (WMS) Harness gently hugs the contours of the human form, regardless of the operator's size or shape. Better fit results in better control, greater range of movement and better distribution of weight. When properly adjusted, the WMS Harness reduces operator fatigue and increases productivity. The harness also features a series of convenient storage loops perfect for keeping tool attachments within reach. Our exclusive "no tug" cord restraint clip reduces stress on the power cord, contributing to a longer operating life. Although the Back Vac weighs in at less than 11 pounds, it's far from a lightweight in the power department. With 144 CFM of airflow and 99 inches of static lift, the Back Vac packs a serious wallop. A strategically placed exhaust port directs exiting warm air up and away from the operator. And, in spite of all that power, the Back Vac is as easy on the ears as it is on the back. Its category leading 62 dB A and lower-pitched voice enables operators to clean during business hours. Four levels of filtration keep floating particulates to an absolute minimum, and both units can be quickly and easily upgraded with H.E.P.A. filtration. And, Euroclean's "Fold n Seal™" bag system keeps dirt and dust where they belong...in the bag.

**\*CRI Green Label Approved \*Large tank size \*Easy to use latches keep cover secure \*Weight Management System™ harness for better operator fit**

**New  
Battery Operated!!**

## Battery Glazer 17

The days of working with a corded ultra high-speed burnisher are over. The Battery Glazer 17 floor machine from Tornado® is a one of a kind burnisher that operates on green batteries instead of a standard power cord. You no longer have the hassle of plugging and unplugging the unit as you clean different areas. Delivering two hours of run time before the batteries need to be recharged, the Battery Glazer 17 greatly increases your cleaning productivity, saving you time and money. For recharging, simply plug the on-board charger into the wall and you are done in no time! **\*Powered by eco-friendly gel batteries \*1500 RPM pad speed \*Built-in dust control system for healthier IAQ \*Simple and easy to use \*On-board battery charger \*Approximately 2 hour run time \*Unbelievably whisper quiet 59 dBA! \*Easy to use handle adjustment lever \*Floating pad driver for full contact pressure \*Handle collapses for compact storage Approximately 2 hour run time**

<b>3127</b>	<b>27"</b>

## **4120 White Pad 20"**

For buffing very soft finishes or polishing soft waxes on wood floors. Effectively removes scuffs and black heel marks, enhancing floor appearance. Delivers a cost-effective way to produce beautiful-looking floors. Provides consistent performance while assuring high-quality, reproducible results.

## **5320 Blue Cleaning Pad**

For general scrubbing and cleaning applications blue floor pads will remove surface dirt and grime to get your floor back in shape before re-coating or buffing.

## **3620 Pink Eraser Pad**

Burnishing pads for light scuff removal to renewing that wet-look finish. Engineered with fibers that are durable enough to clean and use again, yet resilient enough to conform to the floor surface for better coverage. This pad-to-floor coverage equates to less labor time and overall performance use of the pad. These pads help to prolong re-coating applications and maintain a high facility image.

## **7220 Black Pad 20"**

No matter how severe the floor is you are stripping, this pad will work for you. Each floor stripping pad is durable, long lasting, and designed with open construction to allow finish and stripping solutions to flow through and to resist clogging. For floors with an extreme wax buildup, this pad will cut away old finish quickly with it's tough, porous construction

## **4220 Yellow S/Speed Pad**

Burnishing pads for light scuff removal to renewing that wet-look finish. Engineered with fibers that are durable enough to clean and use again, yet resilient enough to conform to the floor surface for better coverage. This pad to floor coverage equates to less labor time and overall performance use of the pad. Norton Thermal Burnish ultra high speed burnishing floor pads help to prolong re-coating applications and maintain a high facility image.

## **06200 Gorilla Pad 20"**

**Marcas best seller!!**

GORILLA® -The Original Blended Natural Fiber Floor Pad... that gives a "wet-look" shine. Gorilla® floor pad is made with a blend of natural fiber and polyester. This blend uses properties of both fibers to create the most unique and respected floor pad in the world. To clean it, just brush away dried wax with it's die cut center. It will not glaze over

# Pads, Sandpapers & Diamonds

## MFPAD-19 Micro-Fiber Pad 19

Micro-fiber carpet spin bonnets are manufactured with the same quality fiber as the rest of the Norton micro-fiber products. These pads are super absorbent and can be used on both sides for longer lasting use before laundering. Recommended on low speed machines of 175-350 RPM.

## 2985200 Ruff Green/White Pad

Ruff® Brush-Pad is unbeatable for auto-scrubbing and disk scrubbing of abrasive floors, grouted tile floors, terrazzo, poured non-slip floors, concrete floors and other uneven floors that would normally require a brush. \* Ruff® is light weight, flexible, easily switched for regular floor pads and is much less expensive than a brush driver block. \* Aggressive but not abrasive. \* Serged to secure the edges. \* A pad that goes where only brushes used to go on rough surfaces that would tear up a floor pad. \* The porous materials allow liquids to pass through to the surface for use with autoscrubbers. \* Thousands of brushes laminated to a floor pad driver.

## Marcas best seller!!

## 73-20 Emerald Hy-Productivity Pad

The most abrasive stripping pad in the ACS Scrubble® Products line, Emerald Hy-Pro Pads are tear resistant and long wearing. Highly aggressive, a wide open mesh construction allows solutions to flow through these 5/8" pads without loading or build - up. These pads are best used with 175-300 RPM machines.

## 2202 Steel Wool Pad

Needled Floor Pads are ideal for polishing and buffing uneven floors. These pads are built tougher and stronger than conventional floor pads; they will not tear, shred or fray at the edges no matter how rough the floor's surface

## Bassine Rotary Brush

Brushes offer solutions to a wide range of cleaning situations. Silicone carbide impregnated nylon bristles are self-replenishing as brush wears, offering unmatched value that outlasts floor pads over 100 to one! That translates directly into time and cost savings. Featuring our water and chemical resistant TUFF-BLOCK® for maximum life expectancy. All Grit Brushes with must be run in a wet environment".

Features durable steel handle and built-in pour spout. Graduations molded inside.

# Terrazzo & Marble Care

523

## **523 CR-2 Crystallizer for Marble and Terrazzo Surfaces**

It provides a high level of lasting and resistant shine at first crystallizations, being able to be used later for a regular maintenance of shine on previously crystallized floors. To be used directly after polishing or after the application of CR-1 base crystallizer when necessary. In maintenance works, it must be used directly without any other previous procedures except the regular cleaning of the surface to be treated.

516

## **516 Lucidox**

Special product used to shine small surfaces such as skirting boards, corners and edges that cannot be reached by the polishing machine, and also for walls and vertical surfaces.

503

## **503 Guialotex**

It is our most popular shining powder, because it can be used on a wide range of marble and terrazzo surfaces. Gialotex is considered a "general purpose product" providing the highest level of shine on most of the existing marbles and terrazzo
